Matt McCollum

Media and Design

Utilizing, developing, and diversifying my media technology and design skillsets.

Current

January 2023 - Now

Computational Media Student *Georgia Institute of Technology*

Studying the media and music technology degree threads. Focused on UI/UX, Software Design, and Sound Design.

Experience

December 2020 – December 2022

Senior Leader *Supplemental Instruction - University of North Georgia*

Facilitator: Running peer led study sessions for mathematics courses with high drop, withdrawal, and fail rates. Working with students to build long-term studying skills.

Mentor: Helping train and develop facilitators through observations and feedback, as well as orientation training for new and returning facilitators each semester.

Planning Committee: Reviewing planning documentation for each facilitator's study sessions and developing workshops to help facilitators improve in their session planning.

April 2019 – December 2020

Emergency Relief Clerk *QuikTrip*

Clerk: Providing stellar customer experience while maintaining and operating the storefront.

Emergency Relief: Covering shifts for other QuikTrip clerks across northern Georgia when time-off is used or emergencies occur, quickly acclimating to new teams and environments.

Education

Fall 2019 – Fall 2022
